

Dear Friends,

It gives me great joy to write to you to let you know that the President of The Mother Church, Keith Wommack, C.S.B., of Corpus Christi, Texas, in collaboration with Ariana Herlinger, C.S., the Manager of the Church Activities Department at The Mother Church, are conducting meetings with Mother Church members in regions across the United States. In April Keith and Ariana will be holding meetings in Michigan and Indiana.

The role of the President of The Mother Church changes from year to year depending on the needs of our movement. This year, Keith, along with the Christian Science Board of Directors, has been thinking deeply about how to better support smaller branch churches and societies.

We would love to specifically invite any Mother Church member who is attending a small church or society, or those who aren't near a branch but may be interested in forming an informal group, to join these meetings. Please feel free to share this message with anyone who attends your church--all are invited.

Upcoming meetings in Michigan and Indiana will be held on the following dates:

- Friday, April 26, at 6:30 pm (EDT) - **Christian Science Society, South Haven, MI**
- Saturday, April 27, at 1:00 pm (EDT) - **First Church of Christ, Scientist, Farmington, MI** ***Please note, there is no elevator access to basement restrooms.***
- **Sunday, April 28, at 1:00 pm (EDT) - Sixth Church of Christ, Scientist, Indianapolis, IN**

If you would like to see a full list of upcoming meetings or share your ideas with us, you may do so [here](#). We'd love to hear what you are thinking and praying about in your church work. These meetings will be an opportunity to awaken more to Mary Baker Eddy's provision for Church; to take a look at the specific obstacles that seem to stand in the way of progress and how we can counter them effectively; and to share ideas on how to strengthen our individual commitment to the healing practice of Christian Science and to the Church Mrs. Eddy founded.

Anna Reynolds, Executive Assistant to the Christian Science Board of Directors and to the President of The Mother Church, is helping to plan and coordinate Keith's visits with members. You can contact her by email at reynoldsa@csps.com or by phone at 617-450-2766.

If you know of other members who may not have received this communication, please feel free to share this invitation with them.

With love and gratitude for all you are doing,

Barbara Fife, C.S.B.
Clerk of The Mother Church
